

GIRLS IN INFRASTRUCTURE

Join Women in Infrastructure on **Tuesday 30th March** from **10am to 2pm** at Golden Bay Cement's Portland Facility to gain an insight on jobs in the Infrastructure Industry.

Take the opportunity to experience Golden Bay Cement's operation in the flesh and talk to a diverse range of female industry representatives ranging from trades, operators, planners, supervisors, managers and engineers.

HOSTED BY

Golden Bay Cement have built a reputation as New Zealand's reliable manufacturer and distributor of cement products. From their manufacturing plant in Portland, they produce bagged and bulk cement products for a diverse range of uses, all across the country. The Portland cement plant has a 967,000 tonne capacity and is operated by 204 talented staff.
