

## **Links to Further Standards and Guides From Other Entities:**

*Access to close to around 100 New Zealand Standard Documents is available using your EWRB (Electrcial Workers registration Board) login :*

<https://ewrb.ewr.govt.nz/onlineaccount/login.aspx>

**The standards available include AS/NZS 3000, Electrical Safety Regulations, New Zealand Electrical Code of Practice for Electrical Safe Distances – NZECP -34 and lots more standards specific to different aspects of the electrical industry.**

*Another web-link for electrical information is the Worksafe – Mahi Haumaru Aotearoa website:*

<https://worksafe.govt.nz/laws-and-regulations/standards/electricity-standards-and-codes-of-practice/>

**This link offers access to information on the New Zealand Electrical Act, Electrical Safety Regulations, Electrical Codes of practice and more.**
